disturbing existing relations between savers and their depositaries, and for that reason it is not beyond a peradventure that Representative Caldwell's bill will be taken up at once and acted upon favorably in time to admit of its reason at this reason. It remains for the small savers to make known their wishes and give support to those who incline to the adoption of the savings system that has been strongly successful everywhere that it is in vogue.

Ocala, Fla. Dec. & At the after

Resolven further, That a copy of these preambles and resolutions be for a arded to each schater in congress.

Aside from the election bill resolution the most important action of the Alliance was the passage of resolutions denouncing the Louisiana lottery as a blow at American avilication and parals, and providing for the introduction in congress of a resolution calling for the submission to the people of America of an amendment to the National constitution problidting the operation of lotteries in any of the states. The resolution called out no opposition, and was adopted unanimously.

A special committee was appointed to select men of National reputation to deliver addresses every morning and afternoon. Next Saturday has been designated as "labor day," and T. V. Powderly will speak.

The name of this new party will be the National Union party of America. This call is not to be expected to be issued before the close of the Ocala convention. The effort seems to be to keep the National Farmers' Alliance from inaugurating the new party and yet to make it the main basis of this new National party.

DESPERADO KUHN CAPTURED FORT WAYNE, Dog. 8 .- Marvin

Cuhns ,the murderer of William Cam pau, at Fostoria, left the city at noon Saturday for his father's home, near Cherubusco, eighteen miles west of thi

dence of Mease's sweetheart, Miss Cora Rapp. Shortly after leaving there they met Depaity Sheriff Wilkinson and Police Officer Kennelly.

A battle resulted in which Kuhns was alot four times, Mease once, and Officer Kennelly once. Kuhns and Mease were brought to this city and landed in jail. Kuhns will probably die.

Mease, with his wounded leg, occupies the same cell with Kuhns. There is a reward of \$1,000 offered for the capture of Kuhns by the authorities at Fosteria, which will be claimed by the two officers who made the capture.

Larran—It is now thought that Officer Kennelly, who was shot by Mease, Saturday, at Chernbusco, will recover, while Marvia Kuhns, the desponde who received four bullets in his back, is in a critical condition at the jail Mease has a bullet firrough his thigh, but is meeting easy and is not considered

is quoted as follows: Superior cow will give ten times their own weight is milk per ansum, though exceptional an-imals have been known to yield thirteen times their own weight. On the other times their own weight. On the other hand, inferior animals may give as little as only twice their own weight. Apart from this the author finds that the lighter cow yields the larger proportion of milk, while heavy cows yield comparatively little. Thus a little animal weighing 440 pounds yields 3,564 pounds of milk per annum, or eight times its own weight. On the other hand, an animal weighing 1,760 pounds yields 9,031 pounds, or only about fire times its own weight.
